EXPRESSION OF INTEREST - HYDRAULIC SERVICES

Dear Sir/Madam,

I would like to offer the professional services of MOCE consulting engineers to your company and your developments.

MOCE was recently established to respond to new opportunities in the building industry and a lack of cost effective services, which the Canberra market deserves. MOCE is able to provide a broad range of services ranging from drafting to advanced level engineering to satisfy all your building hydraulic services design needs. Our experience enable us to provide a cost effective, time efficient solutions while ensuring that satisfaction and meeting project brief remains the top priority.

MOCE has successfully been involved in a variety of projects ranging from small developments and refurbishments through to commercial, high rise residential, industrial and institutional developments. MOCE has always had positive feedback from all stakeholders that reflects the expertise and collaboration on offer.

I would appreciate an opportunity to provide our services for your current and future projects. Our rates are very competitive and we are able to provide sketch plans and early design advice to demonstrate our capability and commitment at any stage of your project.
